

1st April 2011

Mr Robert Lawrence
44 West Street
Oxford OX2 0BH

Dear Mr Lawrence

Very many thanks for your letter of 9th March
We would prefer the surface of the grass area to be
 dug over and seeded rather than turfed. (No need for
 cricket pitch or bowling green standardly)
As you mention, the damage done was greater
 than anticipated. We think it might be appropriate if
 you planted a few shrubs, say three, alongside the
 drive way which would enhance the area and discourage
 parking on the grass. It is suggested that a broom
 such as Cythrus Alleged would be suitable.

Yours sincerely
Margy Grace
on behalf of Riverront Residents Association.
