

DEPARTMENT OF  
**STATISTICS**

## GRADUATE OPEN DAY

**4 NOVEMBER 2020**

The following sessions will be available online if you are considering applying for postgraduate study in the Department of Statistics starting October 2021.

2.15pm	<b>Doctoral Studies in the Department of Statistics Presentation</b> – Professor Julien Berestycki (Director of Graduate Studies)
2.45pm	<b>StatML CDT Presentation</b> – Professor Judith Rousseau (Admissions Co-ordinator)
3.15pm	<b>MSc in Statistical Science Presentation</b> – Professor George Deligiannidis (Course Co-ordinator)
3.45pm	Opportunity to speak with current students

There will be a chance to ask questions about the MSc in Statistical Science and about doctoral studies, throughout the afternoon.

Please email [academic.administrator@stats.ox.ac.uk](mailto:academic.administrator@stats.ox.ac.uk) to register for the online session.

*The main talks will be recorded for the purpose of providing to potential applicants. However, the Q&A sessions won't be recorded.*
