SB1a Applied Statistics
Lecture 1 Briefing

Dr Geoff Nicholls

Week 1 MT14
Lectures
Monday 3pm and Thursday, 11am, 1SPR lecture theatre.

Classes
Weeks 3-8 (room in SPR1/2 to be determined):

• Wednesdays 10am, 11am, 12am

• Three classes, sign up for a class 1st Lecture (today)

Submission: Monday, 12 midday, in the SB1a tray in 1SPR.
Practical Lab sessions

- week 3, 5 and 8, Computer Lab, First floor SPR1, Wednesday 2-3:30pm, 3:30-5pm

- two sessions, sign up for a session today

SB1a has three assessed practicals. These are problems handed out at the Lab sessions. The Lab sessions cover R programming related to the assessed practical. Your written solutions to the problems will be assessed as part of the unit examination.
The **hand-in deadlines** for SB1a assessed practicals are:

- 1st practical: 12 noon Monday week 8, MT14
- 2nd practical: 12 noon Monday week 2, HT15
- 3rd practical: 12 noon Monday week 7, HT15

You need to submit your work at the reception in 1SPR together with a signed declaration of authorship. There is a 4th assessed practical for the second part of this course (SB1b). See the course handbook for details.

There will also be one **mock** practical which will not count towards your final BS1 mark.
